

Lewisburg water and wastewater Resolution

WHEREAS, it is necessary to cover our costs to produce water and provide sewer, and run the department without losing money per state law; and

WHEREAS, A detailed study was done by Jackson Thornton that recommended we make these rate adjustments; and

WHEREAS, The city council must approve all increases in water and sewer rates

NOW BE IT RESOLVED, that, these water and sewer rates be recommended to the city council for approval as follows:

WATER AND WASTEWATER (SEWER) RATES effective 2/1/25

INSIDE CITY WATER

FIRST 1,000 Gallons, Minimum bill	\$18.65
Each additional 1,000 gallons	\$4.14

INSIDE CITY SEWER

FIRST 1,000 Gallons, Minimum bill	\$26.20
Each additional 1,000 gallons	\$8.73

OUTSIDE CITY WATER

FIRST 1,000 Gallons, Minimum bill	\$22.90
Each additional 1,000 gallons	\$6.18

OUTSIDE CITY SEWER

FIRST 1,000 Gallons, Minimum bill	\$32.02
Each additional 1,000 gallons	\$11.36

UTILITY DISTRICTS

Wholesale rate/ For Resale to Customer \$3.73 per thousand gallons

A second increase of \$ 0.60 per thousand gallons will go into effect on February 1, 2026
Which will make the rate \$ 4.33 per thousand gallons.
